

# Revitalisierung Gruendelisbach

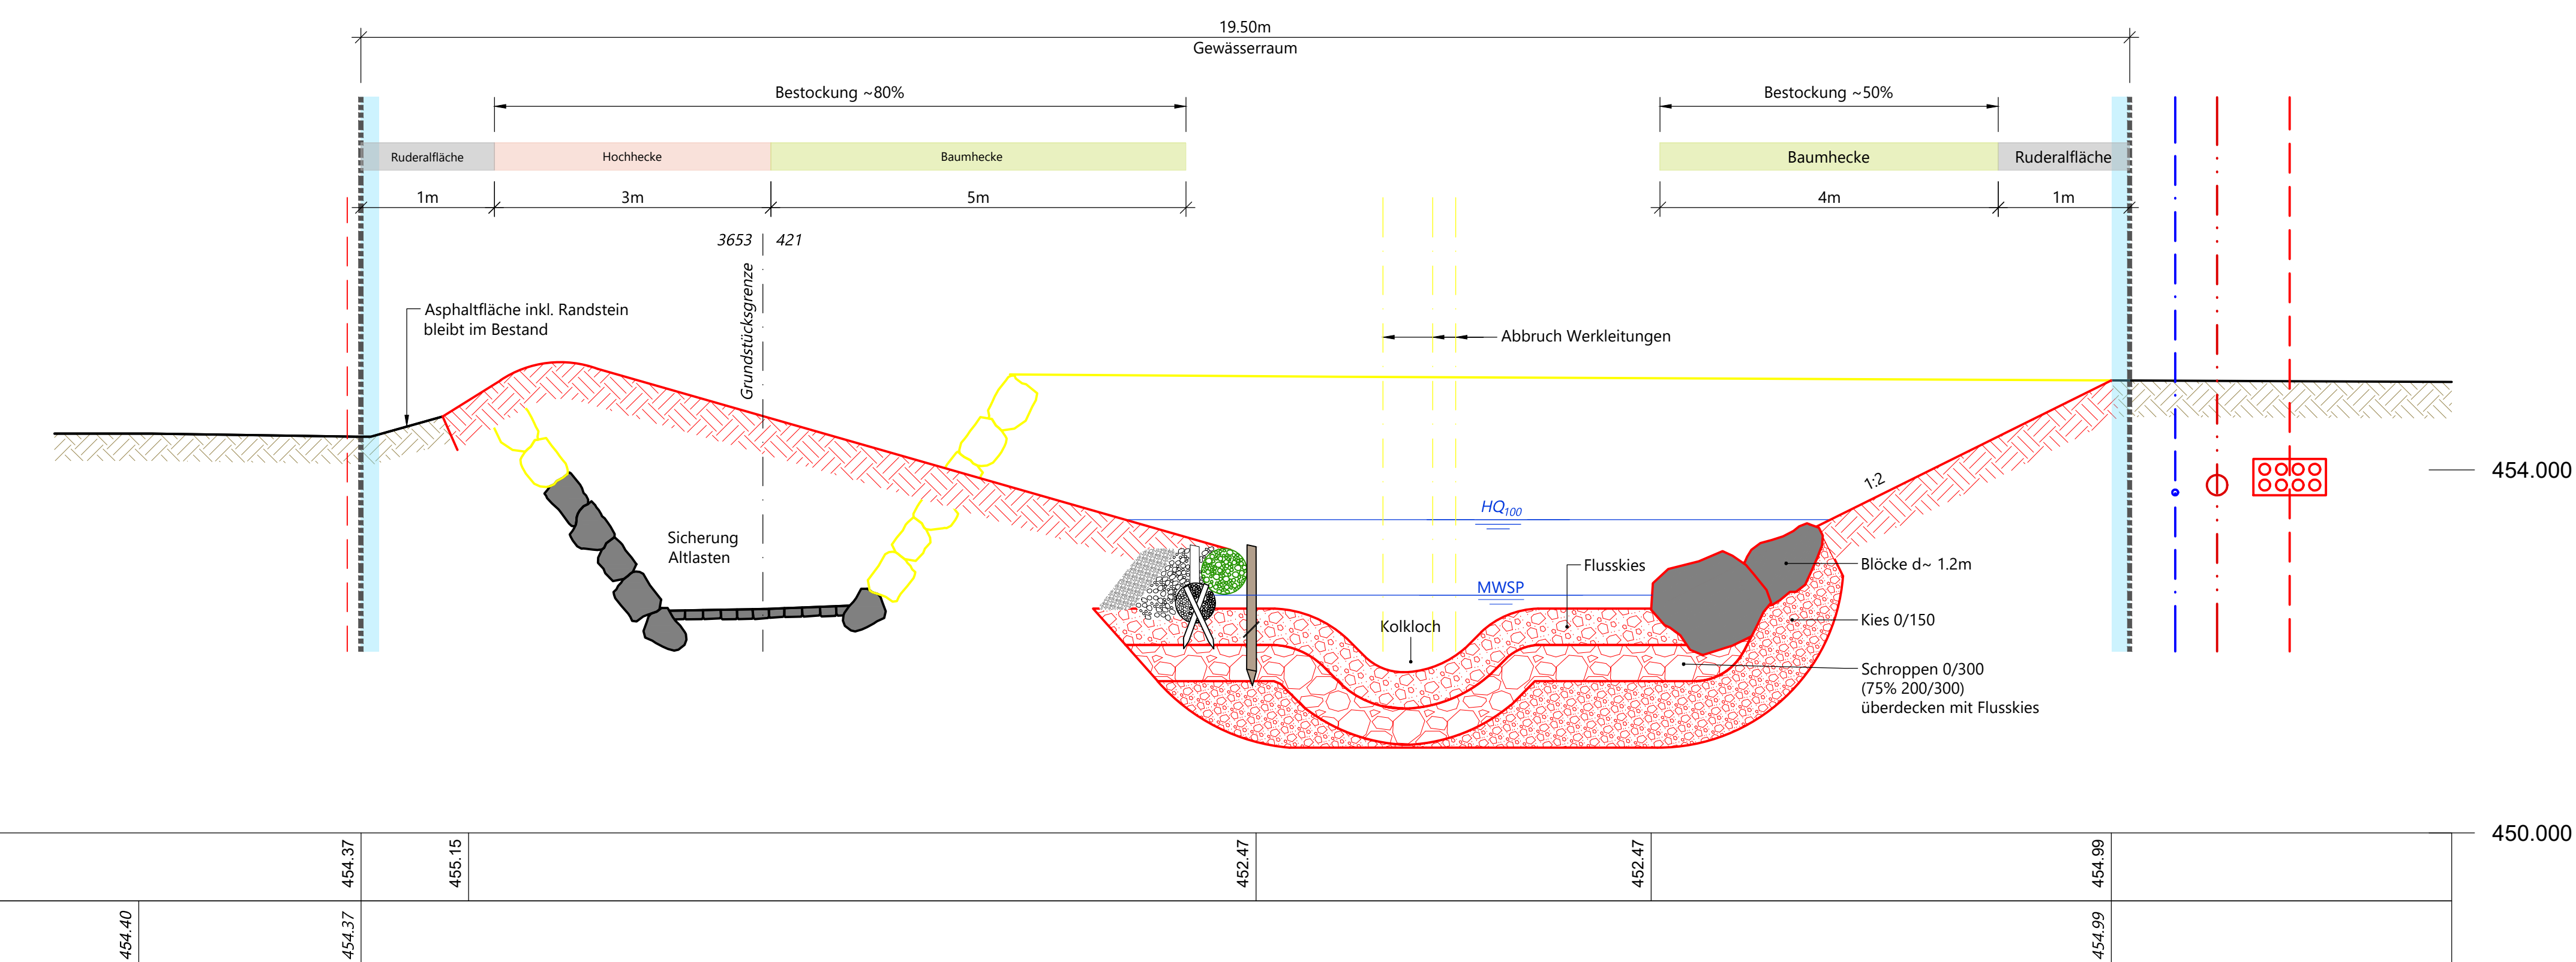

3697-210

Riedmattli

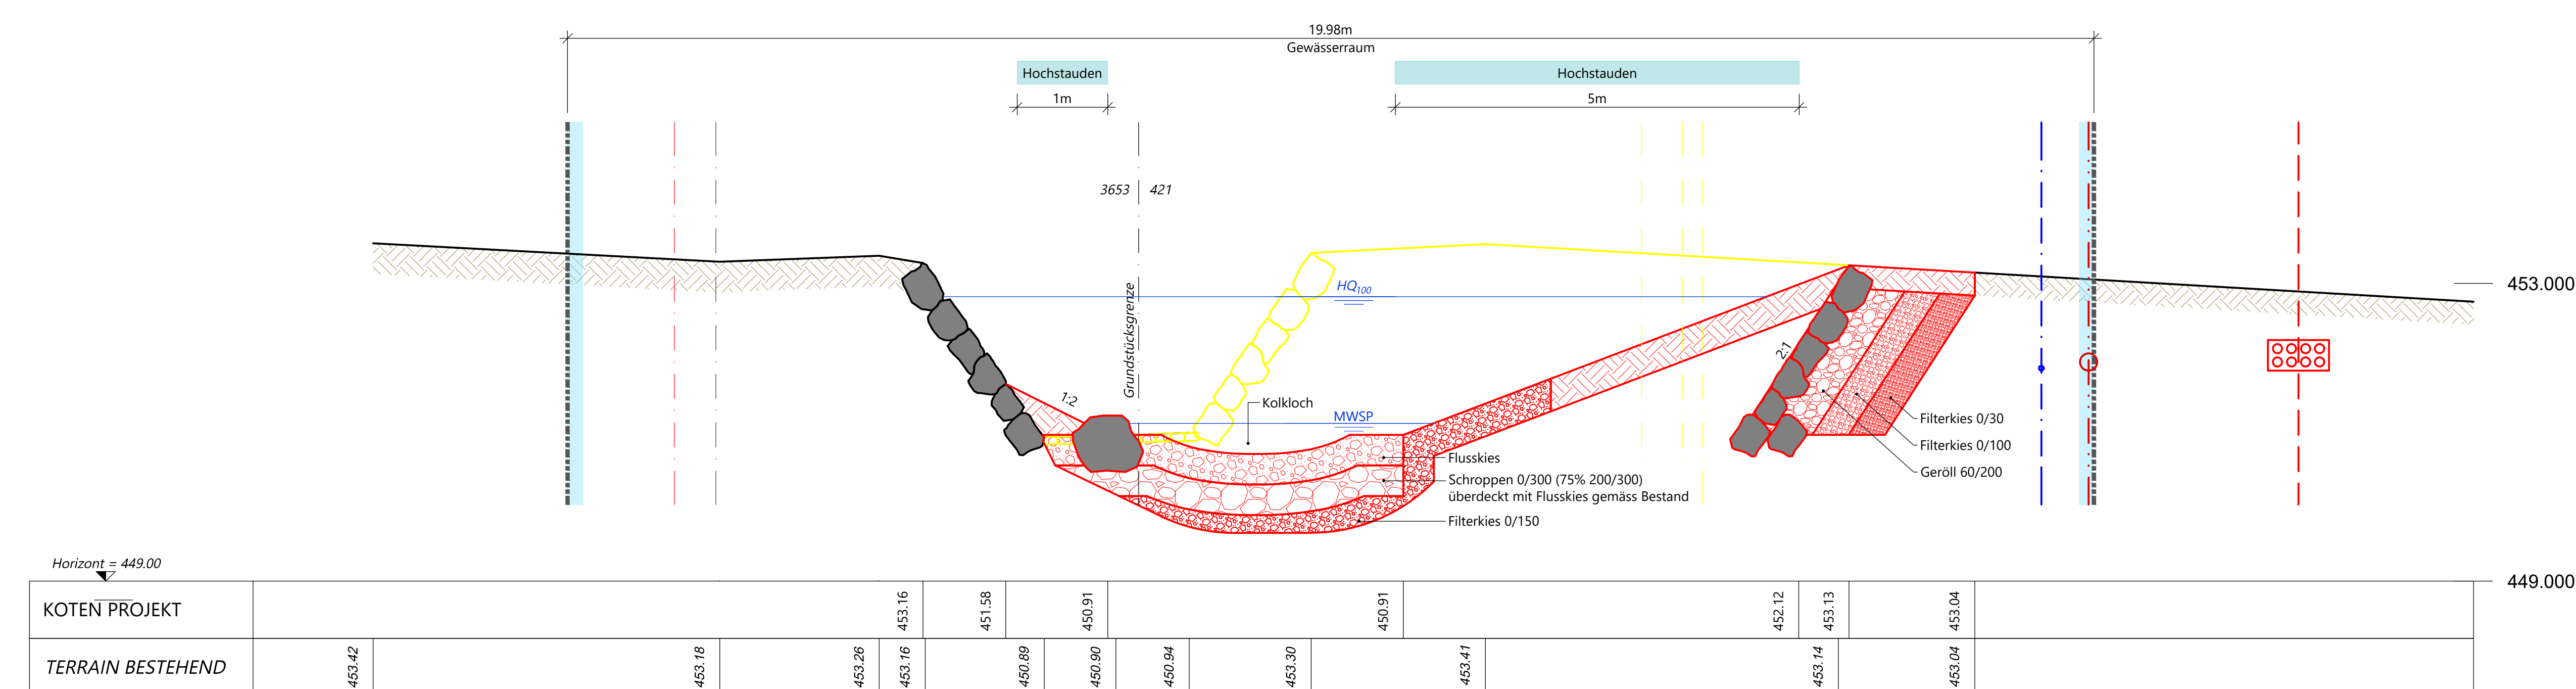

## Querschnittplan Projekt

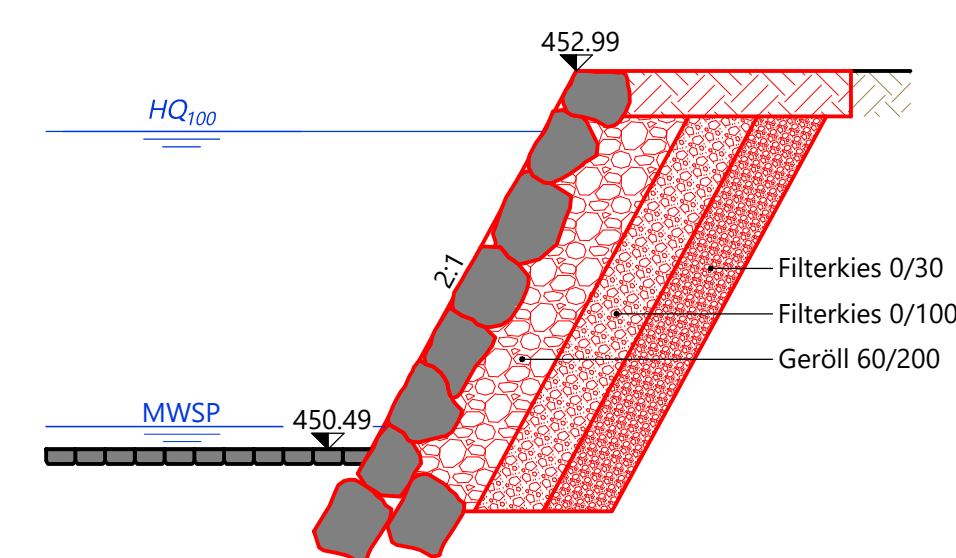

Querschnitt 2, 1:50

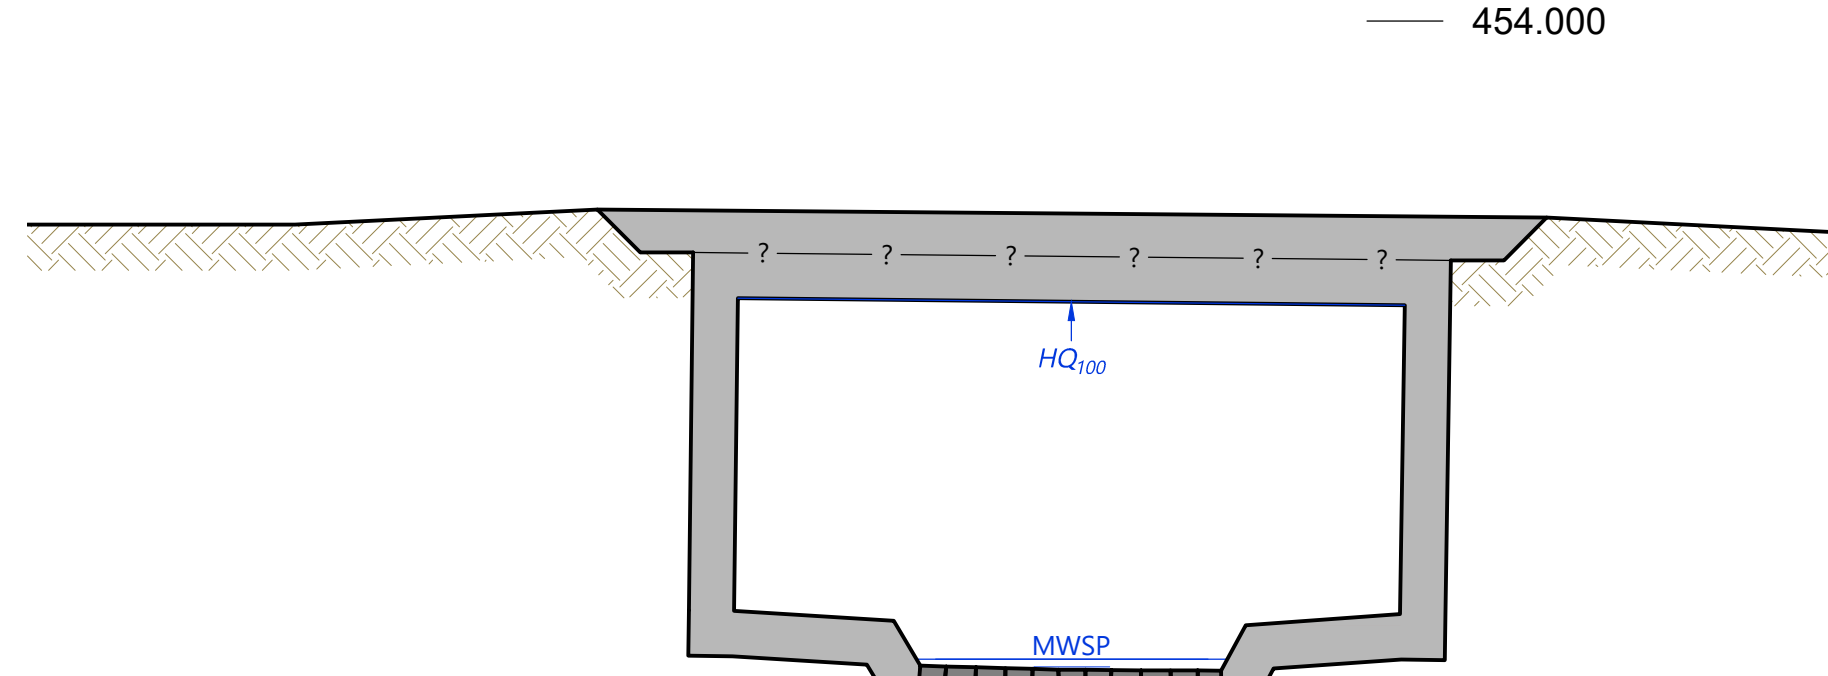

Querschnitt 3, 1:50

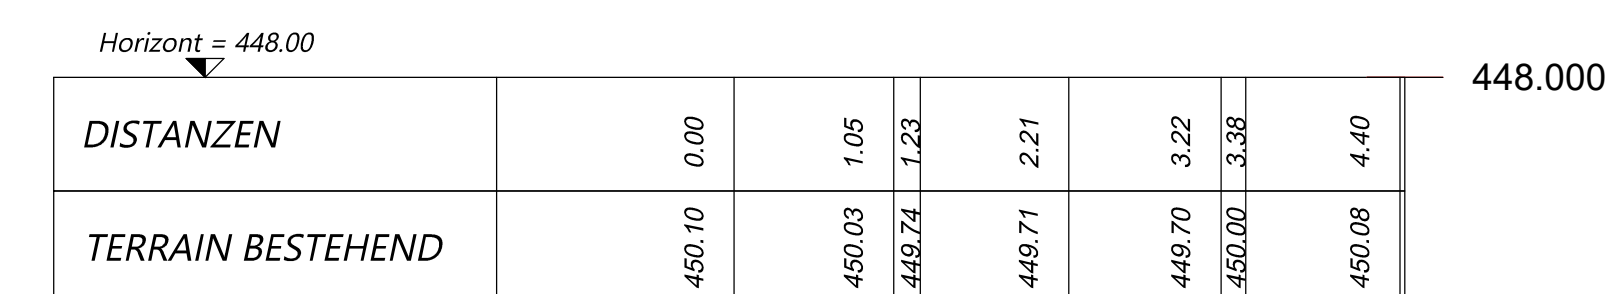

Querschnitt 3.1, 1:50

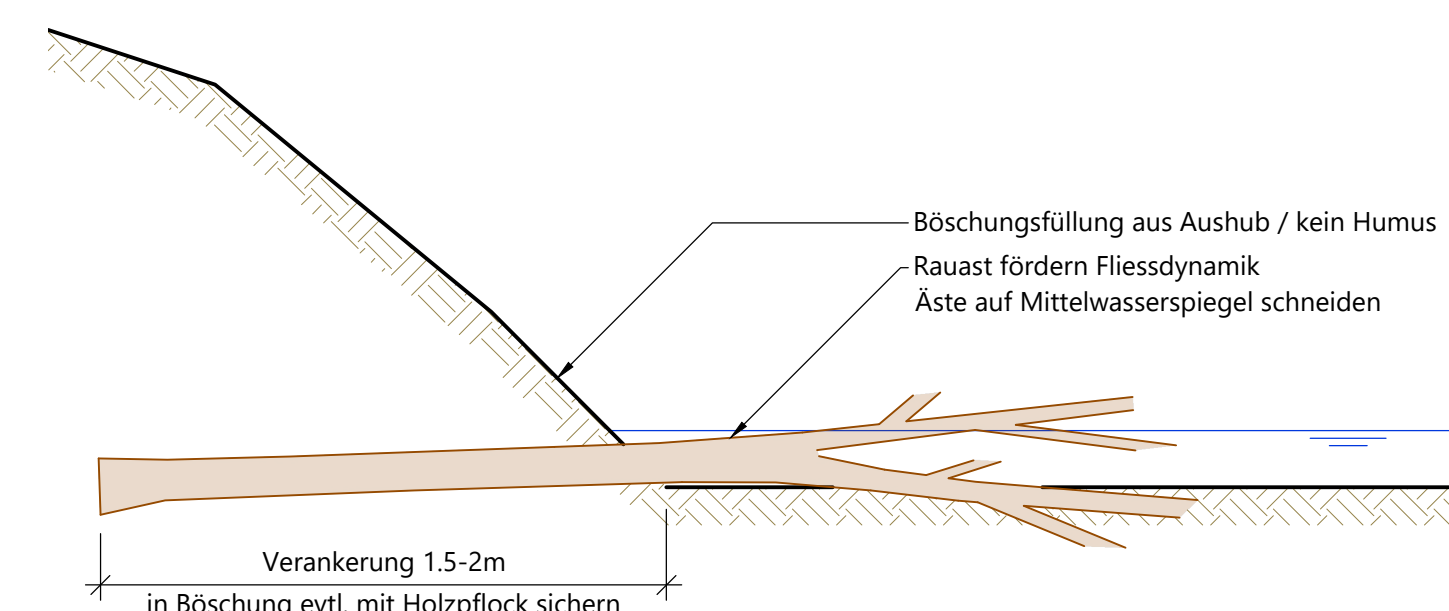

Querschnitt 4, 1:50 (keine Massnahmen)

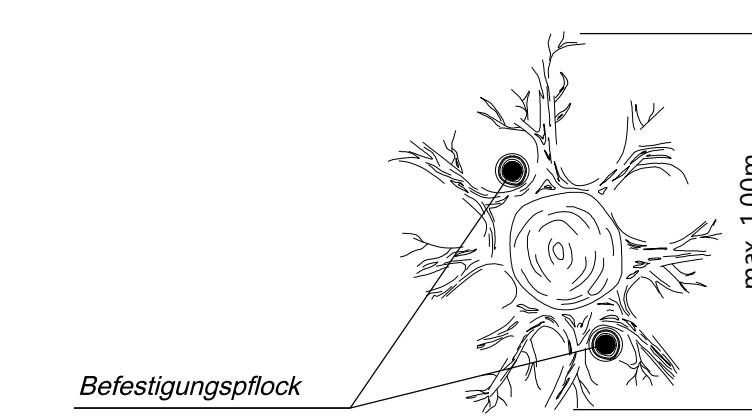

Detail Totfaschine, 1:20

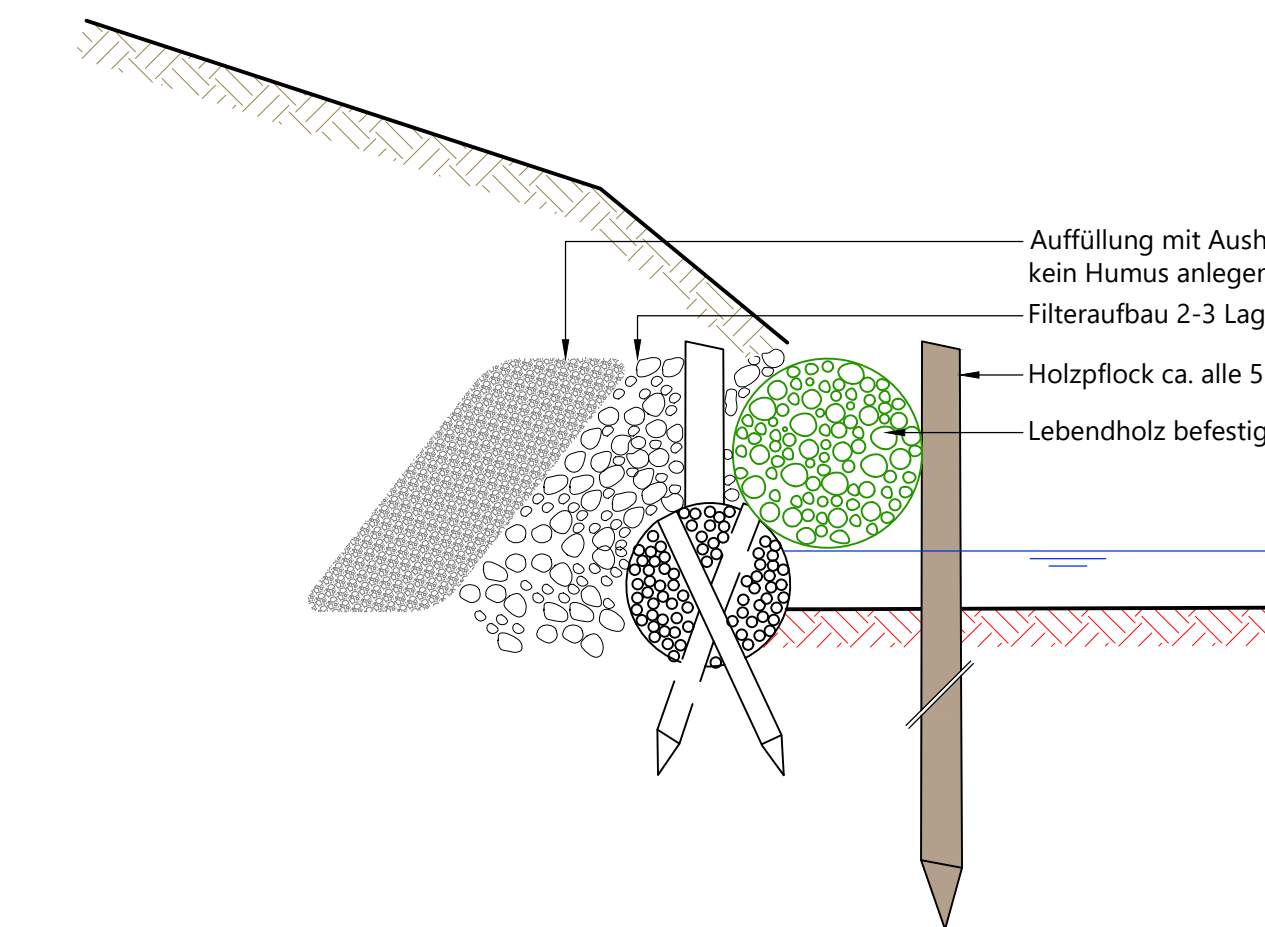

Detail Äste, 1:20

Detail Wurzelstock, 1:20

## Detail Fischunterstand, 1:20

|                                                                                                                                                                                                                                                                      |                                       |            |         |                        |
